

GEORGIA ASSOCIATION OF COMMUNITY CARE PROVIDERS (GACCP) RETAINER PROGRAM

We are honored to present this proposal to GACCP members to provide legal services in the field of labor and employment law in healthcare. As we mentioned in the recent seminar, there appeared to be significant interest in having a firm you can call upon with expertise in the labor and employment law healthcare field. As a result, we are pleased to offer the following services as part of our retainer program:

- **GACCP HOTLINE:** To provide day to day “arm chair” legal consulting related to labor and employment matters. These are calls we can respond to that do not require us to review documents or conduct legal research. Most of the phone calls we would receive from GACCP members would fall into the “arm chair” advice category. However, should legal research, reviewing of documents or providing further legal assistance become necessary, it would be billed beyond the retainer but at a reduced rate, which is 10% less than our normal rates plus any out of pocket expenses.
- **Legal Updates for GACCP:** Periodic legal updates for GACCP members on employment law related matters that are important to running your business.

Cost:

- \$500.00 per year
